Placement procedure for French Language Courses

All *new* students undertaking the French program with some prior knowledge of the language need to sit our placement test. Email the French coordinator Dr Chantal Crozet at chantal.crozet@rmit.edu.au for more information and to enrol in the next available session to sit the test.

If you have never attempted any French, we suggest you enrol into French 1. If you have completed French 1 at RMIT, you are automatically eligible for French 2 and so on.

Note that students who have successfully completed Year 12 French can enrol in French 4 or French 5 pending the result of their placement test.
