

# Appeal against recognition of prior learning and credit transfer – College Appeals Committee (CoIAC)

## Information sheet

### This form is to be completed by

Students who have been denied recognition of prior learning or credit transfer and wish to appeal against the decision to the College Appeals Committee (CoIAC).

### Submission requirements

In order to make this appeal submission you must:

1. have enrolment in the relevant program
2. have received a **denied** outcome for a recognition of prior learning or credit transfer application
3. have received a 'stage 1: school or college review' of the outcome from the school, college or relevant admission area responsible for the decision
4. lodge the completed form and supporting documentation/evidence to the college office responsible for the course (Office of the Deputy Vice-Chancellor) no later than 20 working days from the date you were advised of the credit decision (the appeal deadline). Please note, you must complete the School or College review within this timeframe or you will miss the appeal deadline.

Your appeal submission must clearly explain how the ground(s) of appeal apply to your concerns and be supported by your evidence. In general, your submission should be no longer than 10 pages.

*Please note, disagreement with academic judgement is not a ground of appeal, and a submission made on this basis is unlikely to be successful.*

In order to protect University IT systems and the integrity of your appeal submission, the complete appeal form and supporting documentation will only be accepted by email in PDF and JPG formats. If you believe the circumstances of your appeal require submission in alternative formats, please contact the CoIAC secretariat for advice immediately.

### What will happen next? Will I be granted a hearing of the CoIAC?

In lodging an appeal, you are requesting a hearing of the CoIAC to consider your appeal against recognition of prior learning and credit transfer application outcome.

Following receipt of a complete appeal submission the college Deputy Vice-Chancellor (or nominee) will, within 20 working days, decide whether your application satisfies the submission requirements and the ground/s of appeal you have selected on page 2 of this form.

Where the eligibility criteria have been deemed:

- (a) to have been met – a hearing of the CoIAC will be arranged and we will advise you of the date and time accordingly
- (b) not to have been met – your request for a hearing will be denied and we will advise you accordingly. This communication will explain the reasons for the determination and also advise you of your right to seek an external review of the decision.

### Communication

Your RMIT student email account will be used for correspondence related to your appeal.
