1 Foreword

The *2018 Approved schedule of fees and charges* outlines all fees and charges that may be levied by RMIT for enrolment or other engagement with RMIT and select controlled entities of RMIT, including RMIT Online and RMIT Training, henceforth collectively referred to as 'RMIT', in the 2018 calendar year.

This document is published under the authority of the RMIT Council. All fees in this schedule and its appendices are subject to alteration by Council without prior notice. Approved changes will be recorded in the relevant fee schedule and published at **rmit.edu.au**/fs/studentfees/schedules.

Only fees that have been approved by the Vice-Chancellor, or delegate, can be charged to students or persons; fees that have not been approved should not be charged or collected. All student fees must be charged through RMIT's student administration management system (SAMS) unless otherwise approved by Finance.

All fees and charges listed in this document and its appendices have been endorsed by Finance and approved by the Vice-Chancellor. Any queries about this document can be lodged by contacting RMIT Connect at +61 3 9925 5000 (Australian landline) during business hours or by visiting an RMIT Connect Service Centre. For more information, visit **rmit.edu.au**/students/connect.

In broad terms, there are four categories of fees charged by RMIT:

1. Tuition fees for higher education, vocational education and preparatory students. The tuition fees charged depend on whether a student has been offered a Victorian or Commonwealth Government supported place, a domestic full-fee place, or an international onshore or offshore place.

2. Student services and amenities fees (SSAF) for services and amenities of a non-academic nature that enhance the student experience, such as sporting and recreational activities, employment and career advice, child care, financial advice and food services.

3. Materials fees and charges associated with programs and courses offered by RMIT. These include fees and charges for field trips and goods that are used to produce items that become the physical property of students.

4. Administration fees and charges include fees for services, graduation ceremony attendance, parking, library fines, and penalties for late enrolment.

The following sections detail the fees and conditions that may apply to fees charged to students or persons for enrolment or other engagement with RMIT during 2018. Information about fees is also available on the web at **rmit.edu.au**/programs/fees.

2 Application of the 2018 Approved schedule of fees and charge

All students or persons who enrol at RMIT for studies in the 2018 calendar year, or who otherwise engage with RMIT in 2018 (e.g. graduation, car parking, application for admission) are subject to the fees and charges detailed in this document.

All students who undertake their studies at RMIT in the 2018 calendar year are required to enrol. Completion of an enrolment form or online enrolment is a declaration that binds a student to the rules and obligations of this schedule, inclusive of amendments subsequently approved by Council. A student or person is liable for the financial obligation that results from the application of their enrolment or other action pursuant to this schedule.

If a student has enrolled and wishes to cancel their enrolment, it is their responsibility to inform RMIT before the relevant census date. If they fail to do this their financial obligation remains and they will remain liable for all fees, even if they are no longer attending classes.

This includes tuition, SSAF and administrative fees. If a student has a Higher Education Loan Program (HELP) loan, e.g. HECS-HELP, FEE-HELP or a VET Student Loan, they will still have to pay their fees if they cancel their program after the relevant census date.

2.1 Creation of financial liability

Financial liability for all tuition and administrative fees and charges is created at the point of enrolment. Students become liable for materials fees upon signed agreement and/or upon receipt of the corresponding goods or service.

2.2 Cessation of financial liability

Financial liability only ceases upon payment or withdrawal from a course or program by the appropriate date.

The only mechanisms to withdraw from a course are dropping individual courses or lodging a *Leave of absence* application via Enrolment Online or by lodging an approved *Enrolment variation* form.

The only mechanism to withdraw from a program is by lodging a *Cancellation of program enrolment* form via Enrolment Online or with RMIT.

Note: a student cannot cancel their program online if they are:

- an Open Universities Australia (OUA) student, unless they are enrolled in an OUA Commonwealth supported place (CSP)
- an international onshore student under the age of 18
- an RMIT English Worldwide (REW) student *
- studying at RMIT International University Vietnam (RMIT Vietnam)

To cancel their program, a student who belongs to one of the categories above is required to:

- contact RMIT Connect to obtain the hard-copy program cancellation form
- lodge the form at RMIT Connect before the relevant **census date**

For more information about enrolment variation, leave of absence and cancellation of program enrolment visit **rmit.edu.au**/students/student-essentials/enrolment.

* REW students must lodge their forms with RMIT Training. Learn more at **rmitenglishworldwide.com**/elicos.

2.3 Governing legislation

The *2018 Approved schedule of fees and charges* has been prepared based on the current Australian and Victorian Government legislation and corresponding administration guidelines, which govern RMIT operations.

RMIT reserves the right to amend the fees, charges and guidelines detailed in this document in-line with any changes the Australian and Victorian Government may implement subsequent to its publication.

The Australian and Victorian Government legislation and guidelines will prevail, should any inconsistencies arise between this document and the aforementioned legislation and guidelines.

3 Tuition fees

3.1 Annual fees

Program and course tuition fees for students who commence their program in 2018 are held constant for the 2018 calendar year only.

RMIT reserves the right to annually adjust program tuition fees. Changes to program tuition fees will be applied at the beginning of each calendar year. In 2018 and future years the annual tuition price increase is capped at 7.5%.

This cap applies to:

- domestic and international onshore full-fee higher education students (including students enrolled with RMIT Online)
- international onshore full-fee vocational education and preparatory students
- international offshore higher education students who are enrolled with and pay fees to RMIT Australia

For higher education fees, tuition fees are rounded up to the nearest $10.00 per credit point increment, and so the actual fee increase may exceed 7.5%.

Similarly, for international onshore vocational education and preparatory students, the program annual fees are rounded up to the nearest $250, and so the actual fee increase may exceed 7.5%.

Domestic vocational education fees are not subject to an annual cap and fee increases may exceed 7.5%.

The terms and conditions detailed in this document relate to 2018 commencing and returning students and are subject to annual review. Students who commence their program in subsequent years will be subject to the terms and conditions prevailing at that time.

Any changes to terms and conditions will be communicated prior to their effective commencement date.

3.2 Cohort pricing

Where the tuition fee for a given higher education program exceeds the cap on annual tuition price increases, a student who is currently enrolled will be entitled to complete their program at their current fee rate (subject to annual indexation), while newly enrolling students will be charged at the new fee rate. Any change of program is treated as a new enrolment.

The domestic and international lists of the average annual 2018 tuition fees for all undergraduate, postgraduate and higher degree by research programs in Appendices 1, 3, 4 and 5 may, therefore, include two or more price streams for a single program.

Where this occurs, the 'program description' field will indicate the cohort by calendar year that corresponds to the annual fee price listed. A student is allocated to a cohort based on the semester and year they are admitted into a program.

3.3 International students on a non-student visa

Eligible international onshore students who hold a visa other than a student visa (such as a working or spousal visa) and are not subject to the Education Services for Overseas Students Act 2000 (ESOS Act) will be charged a fee equivalent to the domestic full-fee for their program.

RMIT uses admission codes 'BK' (higher education) and '76' (vocational education and preparatory) for this purpose. Domestic full-fees are detailed in Appendix 1 (higher education) and Appendix 2 (vocational education) and Appendix 4 (RMIT Online).

3.4 Standard or average load

Annual tuition fees are based upon standard or average load (total program load ÷ standard program duration) and normal progression, with pro-rata fees applying to non-standard loads.

The standard measure of a full-time student load in higher education is 96 credit points per year. Vocational education programs do not conform to a standard load per year, and the annual fees for these programs are based on a calculation of total program fees (at current year prices) divided by program duration.

Vocational education tuition fees are charged at a rate per nominal hour and a student's fees are calculated each year according to their enrolled load at the program price set for the corresponding calendar year.

To illustrate, a program requiring 1,500 nominal hours over two (2) years may require students to undertake 700 nominal hours in the first year and the balance of 800 nominal hours in the second year. Assuming full-time enrolment, the student will be charged for 700 nominal hours in the first year at the rate per nominal hour set for that calendar year and for 800 nominal hours in the second year at the new calendar year rate.

The fee charged for each semester in a calendar year may also vary depending on the program's enrolment structure. As an example, a student required to complete 700 nominal hours in a calendar year may be enrolled in and charged for 300 in semester one and for 400 in semester two.

Over the full duration of the program, the total program tuition fee will be the fee quoted, subject to annual indexation.

Vocational education fees may be in excess of the total program tuition fee (including annual indexation) if the student chooses non-standard electives or if a student enrols in subjects in addition to the standard program load.

Due to their variable program structure, some vocational education programs may have a different fee depending on the student's chosen stream.

The student tuition fees as published in this schedule are subject to change given individual circumstances at enrolment and should only be used as a guide.

3.5 Higher Education – Commonwealth supported places (CSPs)

A CSP is a place at university where the tuition fee is jointly paid by the student and the Commonwealth Government. The student's share of the fee (student contribution) is set by the government and determined by the discipline areas (bands) of their individual enrolled courses (subjects), not the overall program.

A student is a CSP student only if they have received confirmation from RMIT that they have been offered a CSP and the student accepts that place and their eligibility has been verified.

Some CSP students, including undergraduate students studying with RMIT through OUA, may be eligible for a HELP loan, which will allow them to defer payment of up to 100% of their student contribution (see section 3.6). For more information about CSPs, visit **rmit.edu.au**/programs/fees.

3.5.1 Calculating the student contribution

CSP students are charged a student contribution amount per course. When a student has had a course fee deferred after the relevant **census date**, they will be issued with a Commonwealth Assessment Notice (CAN) within 28 days after the deferral. A notification email will be sent to their RMIT student email account and their nominated personal email when a CAN is available to view via Enrolment Online.

The student contribution amount for a course is based on the student contribution band that the course falls within (see Table 1 below) and the Effective Full-Time Student Load (EFTSL) weight of the course as a proportion of a full-time study load (i.e. student contribution band x EFTSL course weight). The weight of courses is measured as a proportion of a full-time student load (1 EFTSL) and can also be measured in credit points.

A standard annual full-time load for higher education students at RMIT is equivalent to 96 credit points. Some programs, such as double degrees, may require the student to enrol in more than 96 credit points in some or all years of the program and fees will be charged accordingly.

It is important to note that the student contribution bands are determined by the individual 'unit of study' (which RMIT defines as a course), not the program or degree.

That is, if a student enrols in a nursing course and an accounting course as part of a Bachelor of Nursing program, the nursing course will be charged at the Band 1 rate and the accounting course will be charged at the Band 3 rate.

Detailed information regarding the calculation of student contribution amounts is provided at **rmit.edu.au**/programs/fees.

*** Table 1: Maximum student contribution amount by student contribution band - 2018**

Student contribution band	Maximum student contribution amount for a place in 2018 (1 EFTSL or 96 credit points)
Band 1: humanities, behavioural science, social studies, education (see Notes), clinical psychology, foreign languages, visual and performing arts, nursing (see Notes)	$6,444
Band 2: mathematics, statistics, computing, built environment, other health, allied health, science, engineering, surveying, agriculture	$9,185
Band 3: accounting, administration, economics, commerce, law, dentistry, medicine, veterinary science	$10,754

*** Notes on Table 1:**

1. If the student contribution amount for a course is an amount made up of dollars and cents, it will be rounded down to the nearest dollar (e.g. $6,444 x 0.125 EFTSL = $805.50, which will be rounded to $805).
2. For students who commenced their course of study before 1 January 2010, the maximum annual student contribution amount that may be charged for education and nursing units in 2018 is $5,157. Students who started their course of study on or after 1 January 2010 are subject to the maximum student contribution amount specified in the table above. See section 3.5.2.

3.5.2 Pre-2010 students

From 1 January 2010, the maximum annual student contribution amount for education and nursing units of study increased from the National Priority Band rate to the Band 1 rate. This applies to students who commenced their program of study from 1 January 2010.

Continuing students will continue to be subject to the National Priority Band rate that applied in 2009, indexed for subsequent years ($5,157 in 2018).

A person is a pre-2010 student for a 'unit of study' (course) if:

- the person commenced a 'course of study' (program) with a provider before 1 January 2010 and was a Commonwealth supported student in relation to a unit of study in that course, and
- the person did not complete the course by 31 December 2009, or if they completed the course, it was:
    - an enabling course undertaken in 2009, or
    - a related course for an honours course of study and they are undertaking the honours course of study, and
- the unit of study would have been included in Education in the funding cluster Mathematics, Statistics, Behavioural Science, Education, Computing, Built Environment, Other Health or the funding cluster Nursing repealed by the Higher Education Support Amendment (2009 Budget Measures) Act 2009.

To be a pre-2010 student there is no requirement the course the student was undertaking on a Commonwealth supported basis prior to 2010 was a course of study in education or nursing or a related discipline or the student undertook units of study in education and nursing or related disciplines prior to 2010.

Pre-2010 arrangements apply to students who transfer from one course of study to another, including where one course of study is postgraduate and the other undergraduate, or who transfer between providers, as long as they meet the above requirements.

Where a student commenced a course of study as a Commonwealth supported student before 2010, the student had not completed the course of study by the end of 2009, and they take a break from their studies by deferring, they are a pre-2010 student on their return to that course of study.

Students are generally subject to the same provisions as existed when they commenced their Commonwealth supported course.

When is a person not a pre-2010 student?

A student can be a pre-2010 student only if, among other requirements, they were a Commonwealth supported student for a unit of study undertaken as part of a course of study before 1 January 2010.

A person is a Commonwealth supported student in a unit only if they remain enrolled at the end of the census date for the unit.

Therefore, a person is not a pre-2010 student if they deferred their enrolment or withdrew following enrolment from all units before the end of the first census date for a unit in their course of study, unless they meet the pre-2010 requirements for a different course of study.

A person who studied as a Higher Education Contribution Scheme student prior to 1 January 2005, but who has not undertaken any study between 1 January 2005 and 31 December 2009 that would make them a Commonwealth supported student, will not be a pre-2010 student.

Example

- A student who is enrolled in a double or combined degree program is a pre-2010 student if they completed the requirements of only one of the awards on or before 31 December 2009.

- A pre-2010 student enrolled in a single degree program and who transfers subsequently to a combined or double degree program remains a pre-2010 student even if they complete the requirements of one of the awards.

3.5.3 Open Universities Australia (OUA) students

RMIT offers a select number of courses and programs through OUA. OUA courses studied at RMIT may lead to either an RMIT or partner university qualification, and the RMIT award is identical to those awarded to non-OUA students at RMIT.

With the exception of undergraduate students enrolled in a CSP, OUA students are charged tuition fees directly by OUA, not RMIT.

Administration fees apply to all OUA students when they wish to register to take out an RMIT Award and/or get credit transfer. RMIT charges fees to OUA students directly for these additional services. See section 6.3.2 for more information.

3.6 Higher Education Loan Program (HELP)

A HELP loan can assist eligible students to pay their student contribution amount, tuition fees, the student services and amenities fee, or to meet overseas travel expenses. HELP is administered under the Higher Education Support Act 2003.

While some information about HELP is provided in this document to assist students, a student's official references for HELP are the Australian Government's Study Assist website, *FEE-HELP information* booklet and *HECS-HELP Commonwealth supported places information* booklet. The government may make changes to the legislation for HELP at any time.

The Study Assist website **studyassist.gov.au** contains links to their *myUniAssist* database, which is designed to help students keep track of how much Commonwealth assistance they have used.

Should any inconsistencies arise between this document and the Study Assist website, the information contained on the Study Assist website will prevail.

3.6.1 HELP loans available – higher education students

HELP loans provide eligible students with assistance to pay all or part of their student contribution amount, tuition fees and SSAF.

The HELP loans available are as follows:

- **HECS-HELP** — for eligible students enrolled in a CSP. HECS-HELP loans cover all or part of a student's student contribution amount (course fees) only. The SSAF CANNOT be deferred by HECS-HELP.

- **FEE-HELP** — for eligible full-fee students. FEE-HELP is a loan that covers all or part of a student's tuition fees only. It is available to full-fee undergraduate, postgraduate coursework and research students. Undergraduate students (including Associate Degree students) are charged a 25% loan fee, which does not count towards the lifetime FEE-HELP limit (see section 3.6.3). The SSAF CANNOT be deferred by FEE-HELP.

- **OS-HELP** — for eligible Commonwealth supported students who wish to study overseas. This loan is to assist with expenses such as accommodation and travel.

- **SA-HELP** — for eligible higher education students. SA-HELP loans are provided to cover all or part of the SSAF. Students who wish to defer the SSAF must apply for this loan **in addition** to applying for FEE-HELP or HECS-HELP.

3.6.2 VET Student Loans – vocational education students

A number of RMIT programs are eligible for a capped loan under the Australian Government's VET Student Loans scheme. This scheme was introduced in 2017 and replaced VET FEE-HELP loans.

A VET Student Loan is provided to meet all, or some, of the costs of tuition incurred by:

- eligible full-fee vocational education students who enrol in an eligible diploma, advanced diploma, vocational graduate certificate or vocational graduate diploma program
- eligible vocational education students in a Victorian Government subsidised place who enrol in an eligible diploma or advanced diploma program

The list of RMIT programs that are eligible and ineligible for a VET Student Loan is available at **rmit.edu.au**/programs/fees/helploans. Note that for some eligible programs, the VET Student Loan does not cover the full amount of the tuition fee.

Under the VET Student Loan scheme, there is currently no change to the loan fees as applying to VET FEE-HELP: full-fee paying students will incur a 20% loan fee and government subsidised students will not incur a loan fee.

The loan fee does not count towards the lifetime FEE-HELP limit (see section 3.6.3).

3.6.2.1 Continuing students with a VET FEE-HELP loan

The VET Student Loans scheme commenced on 1 January 2017, replacing the VET FEE-HELP scheme. 'Grandfathering' arrangements were made for continuing VET FEE-HELP students, who accessed VET FEE-HELP before 30 December 2017, to continue their studies under their existing VET FEE-HELP arrangements.

Some grandfathered students, who have accessed VET FEE-HELP and completed unit/s in 2017, but have not yet completed their program, may be eligible to extend their VET FEE-HELP assistance into 2018 under exceptional circumstances. These arrangements are only available for units of study with census dates occurring on or before 31 December 2018.

Exceptional circumstances may include illness, caring responsibilities, part-time studies, engagement in courses with longer than 12 months duration and students impacted by provider closure and tuition assurance activation.

For more information about VET FEE-HELP grandfathering and access to VET FEE-HELP in 2018 visit **education.gov.au**/vet-fee-help-students.

3.6.2.2 How to apply for a HELP loan

When enrolling via Enrolment Online, a student will be asked to indicate which optional loan/s they want to apply for. They will then receive an email from the Australian Government with further instructions on how to apply.

Before a HELP loan can be approved, a student must:

- verify their citizenship before they enrol
- provide their Commonwealth Higher Education Student Support Number consent
- provide their Tax File Number (TFN) on their application

Learn more at **rmit.edu.au**/students/new-student-guide/enrol-as-a-new-student.

3.6.3 Lifetime limits to HELP loans

Over a student's lifetime, a FEE-HELP limit applies for access to FEE-HELP, VET FEE-HELP and VET Student Loans. The FEE-HELP limit is indexed annually. In 2018, the FEE-HELP limit is $102,392 for most students.

For students undertaking medicine, dentistry and veterinary science courses (programs) as defined in the Higher Education Support Act 2003, the FEE-HELP limit is $127,992.

Note that the higher FEE-HELP limit only applies to courses that lead to initial registration to practice in those fields. The lower limit will apply to any further study undertaken once a student has gained the requisite level for initial registration.

The FEE-HELP limit is a lifetime limit and is not reset or 'topped up' by any repayments a student makes. For the purposes of the lifetime FEE-HELP debt limit, FEE-HELP, VET FEE-HELP and VET Student Loan debts are treated as a single debt.

This means that any amount borrowed under the FEE-HELP, VET FEE-HELP or VET Student Loans programs will reduce a student's FEE-HELP balance until they have reached the FEE-HELP limit.

The options available for paying tuition fees or student contributions depend on the student's eligibility for a HELP loan.

If an eligible student has an approved loan they have the option to:

- pay the full tuition fee or student contribution by the due date
- pay some of the tuition fee or student contribution amount up-front and request a loan for the remainder of their tuition fees or student contribution
- request a HELP loan for the full tuition fee or student contribution amount

3.6.4 HELP loan repayments

HELP debts are indexed on 1 June each year. Debts are not indexed until they are 11 months old.

Repayments occur one of two ways:

- **Compulsory payments through the Australian taxation system:** students start repaying their HELP debt to the Australian Government through the Australian Taxation system once they reach the minimum income threshold level for repayment. The repayment thresholds are adjusted each year to reflect any changes in average weekly earnings
- **Voluntary repayments to the Australian Taxation Office (ATO):** students can make voluntary repayments to the ATO at any time and for any amount

It is important to be aware that the ATO will no longer be sending out a yearly ATO statement to students. All students are responsible for keeping track of their debt at the ATO. For more information, please visit **ato.gov.au**.

3.6.5 Provision of a Tax File Number (TFN)

If a student is applying for any kind of HELP loan for study at RMIT, they will need to supply a valid TFN. If a TFN is not supplied and verified with the ATO on or before the census date, the student will need to pay the student contribution or tuition fee in full on or before the census date.

If a CSP student does not pay their entire student contribution amount up-front and has not provided a valid TFN on or before the census date, RMIT is required by Australian Government legislation to **cancel** the student's enrolment.

RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.6.6 Eligibility for HELP programs

Note: See section 3.6.8 for information about the proposed changes to HELP loan eligibility.

Currently, to be eligible for HELP a student must:

- be an Australian citizen who will undertake in Australia at least one unit (course) of study contributing to their course (program) of study, or
- a holder of a permanent humanitarian visa who will be resident in Australia for the duration of the unit, or
- a New Zealand Special Category Visa (NZ SCV) holder who meets the long-term residency requirements and will be resident in Australia for the duration of the unit *, or
- a holder of a permanent residency visa who is undertaking bridging study for overseas-trained professionals and will be resident in Australia for the duration of the unit.

* A student who holds an NZ SCV will be able to access HELP loans, providing they meet ALL the long-term residency requirements.

This means they need to have:

- first began residing in Australia at least 10 years ago and at that time they were a child under the age of 18 with no spouse or de facto partner, and
- have been in Australia for at least
    - a total of eight out of the past 10 years, and
    - a total of 18 months out of the last two years

If an NZ SCV does not meet all of the above criteria they are not eligible for HELP loans. Learn more at **studyassist.gov.au**/sites/studyassist/helpfulresources/pages/faqs-nz.

3.6.7 Ineligibility for HELP programs

Note: See section 3.6.8 for information about the proposed changes to HELP loan eligibility.

Currently, other domestic students such as New Zealand citizens who do not meet the long-term residency eligibility criteria (see section 3.6.6) and Australian permanent residents (other than holders of a permanent humanitarian visa) are not eligible for HELP loans.

These students must pay their student contribution or tuition fee in full by the census date.

If a CSP student who is not eligible for HECS-HELP assistance fails to pay their student contribution amount in full by the census date, RMIT is required by Australian Government legislation to **cancel** the student's enrolment.

RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.6.8 Proposed changes to eligibility for HELP loans

Subject to the passage of legislation, from 1 January 2018, commencing Australian permanent residents and New Zealand citizens will no longer be eligible to enrol in a CSP.

Instead, they will be required to enrol in a full-fee place, and will be eligible to apply for a FEE-HELP loan.

If this legislation passes, Australian permanent residents and New Zealand citizens who are currently enrolled in a CSP and continuing their program of study in 2018 will be able to:

- continue their program in a CSP and continue to pay their student contribution amount upfront, or
- choose to transfer their enrolment to a full-fee place and access a FEE-HELP loan to pay their fees

A continuing student will lose their CSP if they:

- transfer to another education provider, and/or
- change their program of study

Instead, they will be enrolled in a full-fee place for their new program or with their new provider and be eligible for a FEE-HELP loan to defer their tuition fees.

NZ SCV holders who meet the specific long-term residency requirements for a CSP/HELP are not affected by the proposed changes.

3.7 Higher education – domestic and international full-fee paying

3.7.1 Program fees and charges

RMIT offers a number of undergraduate, postgraduate and research places to students that are not enrolled in a CSP. The tuition fees for these programs are set on an annual basis and may be subject to change each calendar year.

Under the Higher Education Support Act 2003, domestic full-fee students in a unit of study (course) must be charged an amount equal to, or more than, what CSP students are charged for that unit.

That is, for units in which CSP students are enrolled, the full-fee tuition fee the provider sets cannot be less than the highest student contribution being paid by any CSP student for that unit. The only exception to this is where a student is enrolled in an employer reserved place.

The fees for all of RMIT's domestic full-fee programs have been set above the respective maximum student contribution amount. Appendix 1 provides a list of the average annual 2018 tuition fees for all domestic undergraduate and postgraduate full-fee programs (see Appendix 4 for tuition fees that apply to domestic students enrolled via RMIT Online).

3.7.2 International onshore students

The Commonwealth does not contribute to educational costs for international students unless the students are in receipt of a Research Training Program International Tuition Fee Scholarship. Furthermore, Commonwealth grant amounts provided to universities for the education of domestic students are not provided for the purpose of subsidising places or services for international students.

The fees charged to international students must be greater than or equal to a minimum indicative fee specified by the Commonwealth. All RMIT fees have been set above these minimum requirements. Appendix 3 of this document lists the 2018 average annual tuition fees for international onshore students.

3.7.3 RMIT Online

RMIT Online offers a number of fully online programs. See Appendix 4 for the list of 2018 tuition fees. Learn more at **studyonline.rmit.edu.au**/study-online.

3.7.4 International offshore students

RMIT does not set fees for the majority of international offshore students enrolled at a partner institution – these are established by the relevant offshore partner.

International offshore vocational, undergraduate, and postgraduate by coursework students who are enrolled with an RMIT Australia campus and are studying via distance education will be charged a fee equivalent to the domestic full-fee for their program.

RMIT Australia PhD and masters by research fees for international candidates studying offshore are available in Appendix 5 of this document.

Appendix 4 lists fees for international offshore students enrolled with RMIT Online.

3.7.5 RMIT International University Vietnam

Australian and New Zealand students who apply directly to RMIT International University Vietnam (RMIT Vietnam) and enrol with RMIT Vietnam are subject to the fees and charges detailed at **rmit.edu.vn**/tuition-fees.

An RMIT Australia student participating in a cross-campus exchange will continue to be enrolled as an RMIT Australia student, paying any tuition fees or student contribution amounts as usual.

3.8 Vocational education – Victorian Government subsidised places (Skills First program)

3.8.1 Tuition fees for government subsidised places

For eligible students, this training is delivered with Victorian and Commonwealth Government funding. RMIT's Registered Training Organisation (RTO) code is 3046.

Tuition fees for a Victorian Government subsidised place vary according to each program and are updated on an annual basis.

Appendix 2 provides a list of the average annual 2018 tuition fees, as well as the amount per nominal hour, for all vocational education programs for government subsidised students.

For more information, visit **rmit.edu.au**/programs/fees/vocational/govtsub.

3.8.2 Program alignment with nationally endorsed training package

Each vocational education program (excluding skill set programs and courses) aligns to a nationally endorsed training package or nationally accredited course. Accredited courses address skill requirements for industry, enterprises and the community, where these are not covered in nationally endorsed training packages.

Training packages are currently developed by Industry Reference Committees, supported by Skills Service Organisations, and are regularly assessed for quality and reviewed to ensure that they continue to meet the needs of industry, students and the community.

A training package is normally endorsed for a three-year period. Where a training package is revised, RMIT, if required, will develop a transition plan for any students enrolled in that qualification. A variation to a qualification may result in an amendment to the nominal hours of a program. If this occurs, the program's nominal hours will be updated in the fee schedule available at **rmit.edu.au**/fs/studentfees/schedules.

Students who are transitioned to a new program due to changes to their qualification may need to complete additional courses to meet the requirements of the new program, and the fees for the new program may be different.

3.8.3 Eligibility criteria for government subsidised places

The Victorian Government provides subsidised places for approved vocational education programs for students who meet the Skills First program (previously Victorian Training Guarantee) eligibility criteria.

If a student is offered a government subsidised place, they must prove their eligibility before they enrol.

A student's eligibility for a government subsidised place will depend on their citizenship, age, prior education, the number of programs they are studying in the current year and the number of government subsidised programs they have commenced in their lifetime at each level.

There are exemptions from eligibility criteria for apprentices, students undertaking the Victorian Certificate of Education, and Foundation Skills programs. The Victorian Government may also at any time publish additional eligibility exemptions to be applied by RTO's.

Students will be enrolled according to how qualifications are defined in the relevant industry training package. This may impact on their eligibility for a government subsidised place for individual qualifications.

More detailed information regarding eligibility for a government subsidised place is available **rmit.edu.au**/programs/apply/vocational/eligibility.

3.8.4 Eligibility criteria for individuals referred under particular initiatives or provisions

In 2018, individuals referred to training under the particular initiatives or provisions set out below may not be required to meet particular aspects of the Skills First program eligibility criteria for a government subsidised place.

Students enrolling under the Asylum Seeker VET Program, TAFE and Learn Local eligibility exemptions, La Trobe Valley Initiative, Program X and the Back to Work Scheme will be required to pay the student contribution amount of their tuition (see section 3.8.5). They may be eligible to apply for a tuition and student services and amenities fee concession, as per the standard concession eligibility criteria (see section 3.8.6).

Eligible Individuals enrolling under the Program X initiative will have a fee waiver/exemption applied to their tuition fees and student services and amenities fees.

3.8.4.1 Asylum Seeker VET Program Initiative

Asylum Seekers are exempt from the citizenship/permanent residency eligibility requirement for a government subsidised place, for the duration of their program, or until they withdraw.

They may also be exempted from other eligibility criteria under the TAFE and Learn Local Eligibility Exemption initiative. They must meet all other eligibility criteria for a government subsidised place.

Applicants referred to training under this initiative must present RMIT with one of the following documents:

- *Referral to Government Subsidised Training* form from either the Asylum Seeker Resource Centre or the Australian Red Cross, or
- Evidence of their entitlement to a valid Bridging Visa Class E, Safe Haven Enterprise visa or Temporary Protection visa

3.8.4.2 TAFE and Learn Local Eligibility Exemptions

Training Providers may exempt individuals from the 'upskilling', 'two at level in a lifetime', and/or 'two "courses in..." in a lifetime' eligibility requirements. The number of exemption granted cannot exceed 15% of total commencements for that year.

Providers must offer exemptions for individuals who present with evidence for the Retrenched workers, Automotive supply chain workers, Jobs Victoria Employment Network Clients initiatives and/or any other specific cohort as specified by the government.

3.8.4.3 La Trobe Valley Initiative

Individuals may be exempted from the 'upskilling', 'two at level in a lifetime', and/or 'two "courses in..." in a lifetime' eligibility requirements if referred to training by the Latrobe Valley Authority or the Morwell Skills and Jobs Centre

3.8.4.1 Back to Work Scheme

Individuals referred to training under this extension of eligibility provision must meet all Skills First program eligibility criteria, *except* the 'upskilling', 'two at level in a lifetime' and/or the 'two "courses in..." in a lifetime' requirements.

Individuals referred to training under the Back to Work scheme must present RMIT with the standard email issued by the State Revenue Office to their employer that confirms their status as a 'Back to Work' participant.

3.8.5 Calculating the vocational education student contribution for a program or course

Vocational education fees for government subsidised places are calculated based on the nominal hours of enrolment.

To calculate a student's tuition fees, multiply the total nominal hours for the course or program by the fee per nominal hour for the appropriate program listed in Appendix 2.

Example 1: Tuition fee per nominal hour for one program

A student is undertaking a Diploma and is enrolled in a total of 700 nominal hours in 2018. The tuition fee per nominal hour for the program in 2018 is $10.00. Therefore, the 2018 tuition fee will be 700 x $10.00 = $7,000.

The fee charged for each semester in a calendar year may vary depending on the program's enrolment structure. For example, this student may be enrolled in and charged for 300 nominal hours in semester one and for 400 in semester two.

Example 2: Tuition fee per nominal hour for multiple programs

In 2018, a student is enrolled in a Certificate IV program with 200 nominal hours and a Diploma program with 300 nominal hours. The fee per nominal hour for the Certificate IV is $5.00 in 2018 and the fee per nominal hour for the Diploma is $8.00 in 2018.

Therefore, the tuition fee will be:

200 x $5.00 = $1,000 (Certificate IV)

300 x $8.00 = $2,400 (Diploma)

Total 2018 tuition fees: $1,000 + $2,400 = $3,400

3.8.5.1 Tuition fees for Indigenous students

Under the Indigenous Completions Initiative, Indigenous students who enrol in a vocational education program in a government subsidised place in 2018 are entitled to the concession tuition fee amount at all program levels.

3.8.6 Fee concessions and exemptions for students in government subsidised places

Some students in Victorian Government subsidised places may be entitled to an exemption or concession on their tuition fees.

The concession fee is 20% of the hourly fee that a provider would have charged a non-concession student in the same government subsidised program. For more information, visit **rmit.edu.au**/programs/fees/vocational/concession.

3.8.6.1 Eligibility for concessions and exemptions

A vocational education student enrolled in a Victorian Government subsidised place at RMIT may be eligible to apply for an exemption or concession on tuition fees if they hold if they hold a Commonwealth Health Care Card or Pensioner Concession Card or are named on the card as a dependant child/spouse, or if they hold a Veteran's Gold Card.

For Commonwealth Health Care Cards and Pensioner Concession Cards, concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse and/or child.

'Dependant child' has the same meaning as in the *Social Security Act 1991* of the Commonwealth.

If a student has applied for but not received their concession card, they may instead provide a letter or temporary card issued by Centrelink that confirms they have applied for and been approved for a concession card. They must then provide RMIT with a copy of their health care card once it has been issued.

3.8.6.2 Judy Lazarus Transition Centre / Community based orders / Program X

A vocational education provider must not charge a tuition fee for enrolment by a person who is:

- from the Judy Lazarus Transition Centre (as a prisoner within the meaning of the Corrections Act 1986). (A copy of written confirmation from the management of the Judy Lazarus Transition Centre that the individual meets the requirements must be retained.) Or,

- required to undertake the program pursuant to a community based order made under the *Children, Youth and Families Act 2005*. (A copy of written confirmation from the relevant Youth Justice Unit of the Victorian Department of Justice and Regulation that the individual meets the requirements must be retained.) Or,
- an individual referred with a validly endorsed referral form from either the Department of Health and Human Services, the Department, the Department of Justice and Regulation, or a referring agency (a referring agency is an organisation that is contracted by the Department of Health and Human Services or the Department of Justice and Regulation to deliver child protection or youth justice support services)

Evidence listed above must be lodged with the *Application for vocational education fee concession and exemption* form.

3.8.6.3 University Discretion

Authority to grant a university discretion concession is delegated to the Associate Director, Enrolment and Student Records. RMIT is permitted to grant a concession on a tuition contribution where RMIT considers that its collection in full would impose extreme financial hardship. This may include a further concession on, or exemption from, the concession charge.

3.8.6.4 When to apply for a concession

Students must apply **each academic year**, and need to apply before the scheduled class start date.

If the student applies after the scheduled class start date then their concession or exemption will be applied to the next eligible class in which they are enrolled and all other eligible classes that have not yet commenced, for 12 months.

Students can apply for a fee concession **before they are enrolled**. They do not need to be enrolled in the program for the concession to be recorded. They only require an RMIT student number, which they will receive upon admission to their program. Students can contact their RMIT School for information about class start dates.

Concession fees are not available for diploma and advanced diploma programs. However, Indigenous students can access fee concessions for all vocational education programs at all levels.

3.8.6.5 How to apply for a concession

If you are the named concession card holder you can apply via Enrolment Online. If you are listed as a child or dependant, you need to apply at RMIT Connect. For more information, visit **rmit.edu.au**/programs/fees/vocational/concession.

3.8.7 Interstate apprentices and trainees

For interstate apprenticeships, a contract signed between RMIT and the interstate State Training Authority must be in place (New South Wales has its own procedure for eligible students, see below). The State Training Authorities provide their contract for RMIT to sign.

Each apprentice must have a Training Contract signed by their employer that specifies the program and RMIT as the RTO.

More information is available from the RMIT apprenticeship and traineeships website **rmit.edu.au**/programs/apps-trainees or at **training.gov.au**.

3.8.7.1 New South Wales apprenticeships

The Victorian and New South Wales Governments, through their respective State Training Authorities, have a Memorandum of Understanding that enables apprentices from either state to enrol at a vocational education institute in Victoria or New South Wales.

Currently, to be eligible, a New South Wales apprentice must:

- be an apprentice whose training contract is current and registered with the New South Wales Department of Education and Communities, and
- have approval from the relevant New South Wales State Training Services Regional Office to undertake training with RMIT, and
- have commenced training under the apprenticeship with RMIT prior to 1 January 2015 and be continuing under the same Contract of Training and same qualification in 2014, 2015, 2017 or 2018 as relevant

In 2018, eligible New South Wales apprentices will be charged at the same RMIT rate as Victorian Government subsidised students in the same program.

3.9 Vocational education fees for recognition of prior learning (RPL)

RPL is a process through which students can gain credit in recognised courses based on competencies gained.

The competencies may have been gained through experience in the workplace, in voluntary work, in social or domestic activities or through informal or formal training or other life experiences.

Students can apply for RPL for all of the courses in their program of study, from a minimum of one course to a maximum of all courses in the program.

In 2018, vocational education RPL fees for government subsidised, domestic full-fee and international students are equivalent to the standard tuition fees for the course(s) for which RPL is sought.

RPL does not include any additional training required to achieve a competency. If a student requires additional tuition before they can achieve RPL, they may apply for admission to their chosen program. Learn more at **rmit.edu.au**/programs/fees/vocational/rpl.

3.10 Vocational education domestic and international full-fee paying

RMIT offers a number of places in vocational education programs on a full-fee basis.

Students who are ineligible for a Victorian Government subsidised place or who are repeating a government subsidised course they have previously passed may enrol as full-fee students.

The tuition contribution, concessions or exemptions outlined in section 3.8 do not apply to full-fee enrolments.

Appendix 2 provides a list of the average annual 2018 tuition fees for all vocational education programs for domestic full-fee students.

3.10.1 Vocational education fees for international students

Appendix 3 of this document tabulates the average annual 2018 tuition fees applicable to students studying under a student visa arrangement (classified as international onshore students).

3.11 Change in citizenship or residency status

International students studying in Australia who change their citizenship or residency status during the course of their study, and become an Australian citizen or permanent resident, may be entitled to pay fees at the same rate as domestic students, depending on the timing of the change in status and when the student notifies RMIT.

Please note: depending on the established fees for individual programs, changing citizenship or residency status may not necessarily result in a reduction in fees.

For a change in citizenship/residency status to be recorded, the student must submit a *Notification of change to citizenship/residency status* form, with evidence of their new citizenship or residency status to RMIT Connect in time to be processed before the relevant date, as defined below.

The relevant date is:

- for higher education students, the applicable census date
- for vocational education students, the first scheduled class start date in the applicable term

If the student submits their change in status to RMIT **before** the relevant date, the student will be eligible for a refund of any difference between the international tuition fee and the relevant domestic fee. They will then be liable for the domestic fee for their program from the date their change in status is applied to their record.

If a change in citizenship/residency status is granted **after** the relevant date, or the student does not notify RMIT until after the relevant date, the change of status will be applied to the next term. In these circumstances, the student will not be entitled to a change in fee place for the current term.

The student will be charged the domestic fee for their program from the term their change in status is applied. Any International tuition fees paid for future terms, where a change in status has been applied, will be credited to the student account.

3.11.1 Vocational education students

Vocational education students granted Australian citizenship or permanent residency status will be granted a government subsidised place when:

- their program offers government subsidised places, and
- they can prove they meet the Skills First program eligibility criteria. Students must complete an *Evidence of student eligibility declaration* in Enrolment Online once their *Notification of change to citizenship/residency status* has been processed.

If they do not meet the Skills First eligibility criteria, they will be granted a domestic full-fee place.

3.11.2 Higher education students

Higher education coursework students granted Australian citizenship or permanent residency status will be granted a domestic full-fee place.

If the student wishes to study in a CSP after their status has changed, they must re-apply to RMIT at the next intake for a CSP in their current program and their application will be considered on a competitive basis along with other applicants.

Higher education research students who are granted Australian citizenship or permanent residency may be granted a Commonwealth Research Training Program place. See section 11.

4 Student services and amenities fees (SSAF)

The SSAF is used to maintain and enhance services and amenities that improve the experiences of RMIT students.

The maximum annual fee is determined each year by the Australian Government.

In 2018, higher education and Foundation Studies students will be charged on a pro-rata basis at the rate of $3.11 per credit point for each course they are enrolled in, up to a maximum of $298 for the year.

Vocational education and Victorian Certificate of Education students will be charged on a pro-rata basis at the rate of $0.42 per nominal student contact hour, up to a maximum of $298 for the year.

If a vocational education student is eligible for a concession on their tuition fees, they are also eligible for a concession on the SSAF. In 2018 the SSAF concession rate is $0.08 per nominal student contact hour.

Eligible higher education students can apply to defer payment of this fee via the SA-HELP scheme (see section 3.6). For more information, visit **rmit.edu.au**/programs/fees/ssaf.

4.1 Students charged the SSAF in 2018

A student generally will be charged the SSAF if they are an onshore student and are charged a tuition fee by RMIT.

This includes exchange students (i.e. RMIT students studying at an overseas institution with which RMIT has a formal reciprocal agreement).

4.2 Students not charged the SSAF in 2018

- Research students enrolled in a Commonwealth Research Training Program place
- Students enrolled in a program that is delivered fully-online
- Offshore students (i.e. students studying at an RMIT partner institution outside Australia, or studying with an Australian RMIT campus via distance education)

- Exchange students coming to RMIT from another institution
- Cross institutional students, including:
    - inbound students studying at an RMIT campus in Melbourne
    - outbound students (i.e. RMIT students attending another institution in Australia)
- Study Abroad students, including:
    - inbound students studying at an RMIT campus in Melbourne
    - outbound students attending an overseas institution with which RMIT has no formal reciprocal agreement
- OUA students, including students in a CSP
- ELICOS students enrolled through REW
- Industry sponsored students pursuant to the terms of their individual agreements
- Vocational education students who are asylum seekers

5 Materials fees

Materials fees include fees or charges associated with field trips and goods that are used to produce items that become the physical property of students. Materials fees may only be levied with a student's signed consent. These fees are not compulsory and students may choose to purchase these items independently.

The annual materials fee schedule is published at **rmit.edu.au**/programs/fees/other prior to the commencement of enrolments for the following year. The fees approved for 2018 have been reviewed to ensure consistency with the above principles. Appendix 6 provides a list of the materials fees for 2018.

6 Administration fees

RMIT administration fees cover specific additional services provided to students. In addition, a number of fees have been approved that can be levied against a student's account as a fine or penalty when university regulations are broken, or borrowed goods are not returned. These fees are principally levied as a disincentive.

Appendix 7 details a full list of administration fees and charges. This list is also published at **rmit.edu.au**/programs/fees/other. For some administration fees and charges, information about how they will be levied is noted below.

6.1 Late enrolment fee

Higher education students who fail to enrol by their specified time and date, and who subsequently receive approval to re-enrol late, will incur a late enrolment fee of $220.

The late resolution of any outstanding debts will not be considered as justification for waiving the late enrolment fee.

Appeals against the late enrolment fee must be directed to the Associate Director, Enrolment and Student Records in writing with documentary evidence (e.g. medical certificate) in support of the student's application. Visit **rmit.edu.au**/students/enrolment/late for more information.

Fee code	2018 fee incl GST	Description of fee
ADM43	$220	Late Enrol Fee – SEH (College of Science, Engineering and Health)
ADM44	$220	Late Enrol Fee – DSC (College of Design and Social Context)
ADM46	$220	Late Enrol Fee – BUS (College of Business)

6.2 Fines and charges fees

6.2.1 Library loans

To ensure fair access to RMIT resources for all Library users, fines and penalties apply for the late return of items. Library users can help make the borrowing service work well for everyone by returning or renewing items by their due date.

If a library borrower does not renew or return the items by their due date:

- their borrowing privileges will be suspended at all RMIT Library sites and they will not be able to renew, pick up holds or borrow from RMIT libraries
- they will be fined $0.50 per item for each day the item is overdue and $5.00 per hour for overdue Reserve material

Long overdues

If items become more than 90 working days overdue the item will be deemed lost and an invoice for the replacement cost per item will be forwarded to the user. The user will also be charged the overdue amount (ADM16). Visit **rmit.edu.au**/library/borrowing/overdues for more information.

6.2.2 Car parking fees

The following fees apply for annual parking permits, half year parking permits and daily parking fees for students at the Bundoora campus. Please note that the fees for 2 x half year parking permits are greater than the fee for an annual parking permit.

Fee code	2018 fee incl GST	Description of fee
ADM20	$5.50	Student daily car parking (all day) – Bundoora
QP6	$220	Student annual parking permit – Bundoora
QP8	$125	Student half year (01.01.2018 to 30.06.2018) parking permit – Bundoora
QP9	$125	Student half year (01.07.2018 to 31.12.2018) parking permit – Bundoora
QP20	$4	Half-day car parking (4 hours) – Bundoora
QP21	$2	Hourly parking – Bundoora
QP22	$240	Reserved parking Bundoora West Student Accommodation (student full year)
QP23	$135	Reserved parking Bundoora West Student Accommodation (student half year)

Brunswick parking is now free. However, students must register for a permit. This can be arranged through the EasyPark system.

For more information, visit **rmit.edu.au/**students/support-and-facilities/campus-facilities.

6.2.3 Car parking fines

The Victorian Government, under the Road Safety Act 1986 and Road Rules Regulations 1999, has authorised RMIT to issue parking infringements notices. These are detailed in Appendix 7.

6.3 Special administration services

Students enrolled at RMIT will receive administration services such as confirmation of enrolment and online tax invoicing without charge. All RMIT students also receive one award transcript free of charge after conferral. The additional special services listed in this section may be provided on application.

Fee code	2018 fee incl GST	Description of fee
ADM5	$150	Replacement certificates, parchments or testamurs
ADM42	$200	Non-return of Academic Gown Melbourne
ADM55	$80	Hire of Academic Dress other than for the graduation ceremony.
ADM137	$30	Fee for letter requested by student. Acts as a financial disincentive to ensure only genuine requests are made.
ADM145	$80	Letter - Academic Performance requests. Fee for letters requested by students and job networks for academic performance information. Acts as a financial disincentive to ensure only genuine requests are made.
QP2	$25	Replacement of current student ID card
QP42	$30	Academic Statement – Australian Higher Education Graduation Statement (AHEGS) – hard copy
QP43	$30	Academic Statement – Vocational Education Qualification Statement (VE QS) – hard copy
QP44	$30	Academic Statement – Statement of Attainment (SOA) – hard copy
QP45	$30	Academic Statement – Statement of Academic Completion (SAC) – hard copy
QP33	$50	Academic Statement (Transcript, SAC, AHEGS, VE QS, SOA) - obtain on campus in person
QP34	$5	Academic Statement (Transcript, SAC, AHEGS, VE QS, SOA) - regular postage within Australia
QP35	$15	Academic Statement (Transcript, SAC, AHEGS, VE QS, SOA) - express post within Australia
QP36	$35	Academic Statement (Transcript, SAC, AHEGS, VE QS, SOA) - international post outside Australia
QP40	$20	Academic Statements - complete set of digital statements
QP47	$10	RMIT English Worldwide – ELICOS Replacement Certificate
QP48	$10	RMIT English Worldwide – ELICOS Replacement Statement of Attendance

Fee code	2018 fee incl GST	Description of fee
QP49	$20	RMIT English Worldwide – ELICOS Replacement of Academic Statements (Final results for each level achieved)

6.3.1 Administration fees applying to international students

A non-refundable application fee (ADM14) is payable by international students who submit an application to undertake an RMIT program.

In addition, an International student may request an additional administration service of an airport pick up (ADM12, ADM167) or homestay placement (ADM11A) on their arrival in Melbourne.

These and other special administrative charges for international students are noted in the table below.

Fee code	2018 fee incl GST	Description of fee
ADM11A	$280	Homestay Placement Fee for international students placed by Global Student Recruitment.
ADM12	$130	Tullamarine Airport pickup service. Penalty fee only utilised if student books service and does not utilise it.
ADM167	$250	Avalon Airport pickup service. Penalty fee only utilised if student books service and does not utilise it.
ADM14	$100	Application fee for prospective international students.
QP46	$500, $1,000, $5,000 or entire amount paid, depending on date of submission of application for refund.	Admin fee on withdrawal – international students. Financial disincentive to withdraw late. Fee charged is determined by transfer or withdrawal date as per refund policy. See refund rules section 12.1.2.7.
ADM66	$200, and additional fees may apply depending on date of application for refund or transfer of fees.	RMIT English Worldwide ELICOS withdrawal fee. Fee charged is determined by transfer or withdrawal date as per refund policy. See refund rules section 12.1.5.
ADM67	$240	RMIT English Worldwide ELICOS Enrolment Fee. See refund rules section 12.1.5.

6.3.1.1 Overseas Student Health Cover (OSHC)

All international students holding an Australian student visa are required to maintain valid OSHC with an approved OSHC provider.

Students will not require OSHC if they are:

- a Norwegian student covered by the Norwegian National Insurance Scheme
- a Swedish student covered by the National Board of Student Aid or by Kammarkollegiet
- a Belgian student covered under the Reciprocal Health Care Agreement with Australia

- studying for less than three months on a visitor or tourist visa. You will not be eligible for OSHC and are advised to purchase Overseas Visitors Health Cover or comprehensive travel insurance
- an Australian Government scholarship student

The Department of Immigration and Border Protection (DIBP) has implemented mandatory Visa Length Cover as a requirement for all student visa applications from 01 July 2010. This means you must show DIBP that you have OSHC for the **entire** proposed duration of your student visa.

A student whose OSHC has expired or is due to expire can speak to staff at the International Desk at the Info Corner located on Level 1 at RMIT Building 22, 330 Swanston Street, Melbourne. For more information, visit **rmit.edu.au**/international/oshc.

6.3.2 Administration fees applying to Open Universities Australia (OUA) students

With the exception of undergraduate students enrolled in a CSP, OUA students are charged tuition fees directly by OUA, not RMIT. RMIT charges fees to OUA students directly for additional services provided to OUA students.

For more information about OUA please visit its website **open.edu.au**.

The following fees are applicable for the 2018 year:

Item	2018 fee incl GST
OUA - Degree Registration Fee (ADM81 BUS, ADM82 SEH, ADM83 DSC)	$120
OUA - Credit Transfer Fee (ADM84 BUS, ADM85 SEH, ADM86 DSC)	$60
OUA – Combined fee for assessment of credit and registration (ADM142 DSC, ADM143 SEH, ADM144 BUS)	$180

7 Childcare Centre fees

RMIT provides a childcare service to students via the City Campus Children's Centre. Failure to pay childcare service fees by the due date may result in the application of penalties, or the withholding of services as outlined in section 9 below.

The following fees and fines apply to this service in 2018:

Description	2018 fee incl GST
Childcare fees (student parents)	$109 per day
Fee for late collection of children after 5:45 pm	$10 for every five minutes or part thereof

8 Bundoora on-campus accommodation

RMIT has student accommodation at its Bundoora campus offering great facilities and a community environment.

Pricing for UniLodge@RMIT Bundoora, also known as Walert House, is available at **rmit.edu.au**/students/support-and-facilities/student-support/accommodation.

A student who fails to pay their UniLodge@RMIT Bundoora accommodation fees by their due date will be subject to the penalties and/or the withholding of services as outlined in section 9 below.

9 Debtors – overdue balance and penalties

RMIT students are required to pay their fees by the due date shown on their tax invoice, as agreed to in the Statement of student responsibilities. For more information, visit **rmit.edu.au**/students/responsibilities/statement.

Each charge has a due date and some may vary. It is a student's responsibility to keep track of their due dates. Students can check the 'Summary of Charges by Due Date' section in the Account Statement of their Tax Invoice or logon to their online account to see how much they need to pay by when (see section 10).

9.1 Debtor restrictions

Students will have debtor restrictions applied to their student record if they do not pay their fees by the due date. They may also have their enrolment **cancelled** (see section 9.2).

Debtors cannot enrol, add classes, obtain a transcript of results or Statement of Academic Completion, view their academic history (results) via Enrolment Online or receive an award (graduate) until the debt is paid in full.

Therefore, it is important for students to dispute a fee as soon as possible if they think they have been incorrectly charged.

9.1.1 Fee disputes

Students who wish to dispute a fee must contact RMIT Connect as soon as possible. Submission of any supporting documents must be sent from their RMIT student email account and should include their Student ID (example: s123456) in all correspondence.

Once their email is received, their disputed charge will be suspended until RMIT completes its investigation.

If after investigation the student is found liable for the fee/s, they will be required to make immediate payment.

9.2 Cancellation of enrolment due to non-payment

If a student does not pay their tuition fees of $500 or more by the due date, RMIT is entitled to cancel their enrolment in all current programs.

If a student's enrolment is cancelled they will:

- be cancelled in all current programs even if they have paid (or have an approved HELP loan) for the other program/s that they are enrolled in
- still have to pay the tuition fees for any course that they have already received a grade for or that has already finished and any materials or other fees e.g. library fines (these fees will be referred to a debt collection agency)

- have to reapply to RMIT if they wish to continue their studies in the cancelled program/s outside the reinstatement process

9.2.1 Referral to debt collection

Students who do not pay their tuition fees of $500 or more by the due date and have their enrolment cancelled will have the following fees referred to a debt collection agency:

- tuition fees of $500 or more for courses for which they have already received a grade, or the course has finished.
- tuition fees of $499.99 or less.
- all materials and other fees (e.g. library fines)

Students who are referred to a debt collection agency will incur additional costs and their credit rating may be affected.

RMIT Credit Management will contact students who have overdue charges by email and letter, to request that they pay these charges immediately.

Once a debt has been referred to an external debt collection agency, all verbal and written communication will come from the agency. The student will continue to receive communication from RMIT for any charges that have not been referred to the agency.

9.2.2 HELP loan applicants

Students who have their enrolment cancelled because they did not pay their tuition fees by the due date will have their enrolment cancelled in all current programs, even if they have an approved HELP loan for the other program/s that they are enrolled in.

9.2.3 Cancellation of enrolment review process

If a student has their enrolment cancelled by RMIT due to non-payment of their tuition fees, they may be permitted to be reinstated and re-enrolled if they are able to make full payment of all outstanding fees within 14 days of their cancellation.

International students under the age of 18 must make full payment within 7 days of their cancellation in order to be reinstated and re-enrolled. International students should be advised that reinstatement will require confirmation that they are not in breach of the conditions of their student visa.

Reinstatement into a cancelled program is only permissible on one occasion, and a $250 administration fee applies (ADM140).

9.2.4 Student visa implications

An international student on a student visa subject to the ESOS Act who has their enrolment cancelled will be reported to the DIBP, and the student may have to leave Australia.

The student's visa may be cancelled by DIBP as a result of the student failing to maintain enrolment.

9.3 Financial assistance

If a student is having trouble paying their fees, RMIT recommends the following options that students contact a Student Wellbeing Advisor to discuss what financial assistance may be available.

Students may also:

- reduce their fees by varying their enrolment
- apply for a leave of absence for a semester, or
- if they cannot afford their tuition fees, they may need to cancel their enrolment

9.3.1 Fee extension

In exceptional circumstances that exist outside a student's control and subject to the approval of the fee extension panel, a student may enter into a tuition fee payment extension arrangement with RMIT.

Students who meet the eligibility criteria must provide supporting documentation to RMIT Connect as soon as possible and no later than **7 days prior** to the charge due date, as detailed on their tax invoice.

Payment extensions will only be permitted for tuition fees - all other charges must be paid in full by the due date as listed on the student tax invoice. Applications will then be assessed and an outcome provided to the applicant. Where a fee payment extension has been granted and the fees are not paid by the agreed date(s), the student's enrolment may be **cancelled**.

Students in a CSP are ineligible for a fee payment extension, even if they do not meet the eligibility criteria for a Commonwealth loan scheme (see section 3.6.7).

10 Payment of fees and charges

Prior to the start of the 2018 academic year, students will receive an invoice detailing all of their fees and charges for the following year. Students will receive an additional invoice each time they vary their enrolment or incur any additional charges.

Students will have debtor restrictions applied to their student record if they do not pay their fees by the due date(s). They may also have their enrolment **cancelled.** See section 8 for more information.

10.1 Tax invoices

Students can access their RMIT financial details and view their latest and past invoices by logging into myRMIT (**rmit.edu.au**/myrmit) and navigating to the Enrolment Online page.

Students will have a notification email sent to their RMIT student email account when their tax invoice is available to view online. They will also receive an up-to-date invoice whenever there is activity in their account, e.g. they make a payment, drop or add a course. During this overnight process a PDF of their latest tax invoice will be uploaded to Enrolment Online and a copy sent to their RMIT student email account.

More information about tax invoices is available at **rmit.edu.au**/students/taxinvoice.

10.2 Payment options

Students can find payment options in their online account, on the Paying your fees webpage (**rmit.edu.au**/students/payment) and on their tax invoice.

Students should allow at least three business days prior to the due date for an electronic payment to be transferred to their RMIT account.

11 Discounts, fee waivers and scholarships

The Higher Education Support Act 2003 does not permit universities to apply discounts or waive tuition fees for full-fee students. The only exception to this requirement is in the instance of domestic Research students who are enrolled in a Commonwealth Research Training Program place. However, universities may award full-fee students a scholarship to pay all or part of their tuition fees.

11.1 Scholarships

A wide range of scholarships are available to assist students while undertaking study at RMIT. Many of these have been established to provide assistance to students in specific circumstances.

For further information, please contact the Scholarships Office or visit the website **rmit.edu.au**/students/life-and-work-opportunities/scholarships.

11.2 Authorisation/approval of partial scholarships

Applications for a partial scholarship are only permissible if the *Tuition fee partial scholarship* form is completed, approved and signed-off by the Dean, Head of School, College Director, Planning and Resources or equivalent funding the scholarship.

Partial scholarships can be granted on the basis of compassionate, marketing, staff and other grounds, or be used to correct university errors and support research efforts. Staff can learn more at **rmit.edu.au**/fs/studentfees/partial_scholarships (staff login required).

12 Refund rules

A student who changes their enrolment load, withdraws from their program or takes leave of absence may have their student account re-credited. This re-credit may reduce or cancel out the original charge or result in a credit balance. A student's credit balance can be used toward any future fees.

Alternatively, a student may seek a refund of their credit balance, which they can do by submitting an *Application for refund of fees* form (available from RMIT Connect or online at **rmit.edu.au**/students/student-essentials/forms).

These refund rules apply equally to all new and re-enrolling students unless otherwise stated.

These refund rules observe the principles outlined in:

- the National Code of Practice for Providers of Education and Training to Overseas Students 2018
- the ESOS Act

- the Higher Education Support Act 2003, including Schedule 1A VET FEE-HELP Assistance Scheme
- the Provision of Education to International Students: Code of Practice and Guidelines for Australian Universities, published by the Australian Vice Chancellors' Committee
- the Victorian Training Guarantee 2014 Guidelines about Fees published by the Department of Education and Early Childhood Development, and
- Payment Card Industry Data Security Standard compliance as required by the governing banking body

Credit return rules are based on the following assumptions prior to payment:

- Enrolled students wishing to cancel must cancel their enrolment via Enrolment Online or by submitting a *Cancellation of program enrolment* form to RMIT Connect before the census date to be eligible for a refund. (Foundation Studies students can submit forms to RMIT Connect or RMIT Training. REW students must submit forms to RMIT Training.) This does not apply to students who are refused a visa post census date – see last dot point below.
- Applications for refund following cancellation of a student's enrolment after census date may only be accepted in exceptional circumstances and in accordance with the relevant section of these refund rules.
- Funds for the credit refund must be available for payment (bank cheques have cleared, electronic funds transfers and telegraphic transfers have been received).
- Any fines or other charges incurred during enrolment or engagement with RMIT will be settled or paid in full before any credit refund payment.
- An authorised refund will be processed, where possible, using the same method as an original payment e.g. if the payment was made by credit card, the refund will be processed to the same credit card. Where appropriate a refund can be made via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by a third party).
- Students are encouraged to submit any application for refund of fees within one year of the date of the event upon which the application is based (i.e. change of enrolment load, withdrawal from program) to ensure RMIT is able to process the application in a timely fashion.

For students granted deferment or leave of absence, the one year refund application timeline starts on the new commencement date as advised after their period of deferment or leave ends.

An application for refund due to visa refusal may be lodged at any time.

Acceptance of these refund rules, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

12.1 Actions that may result in the re-crediting of fees or other charges

12.1.1 Domestic students (Commonwealth supported and full-fee)

12.1.1.1 Payment of up-front contribution

A student who withdraws from a program or course at RMIT on or before census date or who is otherwise eligible for a refund in accordance with the relevant section of these instructions, resulting in a credit to their account from their up-front contribution, is eligible either for a refund of the full amount they have paid for their student contribution or to carry forward a credit balance.

12.1.1.2 SA-HELP

Students who withdraw on or before census date will not be liable for the SSAF previously applicable to their enrolment. If a student opted for SA-HELP, they will no longer be liable.

If a student has not opted for SA-HELP and they paid their SSAF up-front to RMIT, the student's account will be re-credited for the SSAF amount paid up-front and they can apply for this credit to be refunded.

Students who withdraw after the census date will remain liable for the SSAF for that semester.

If a student opted for SA-HELP, the SSAF deferred to SA-HELP is not refundable after the census date. There is no remission of debt in special circumstances for SA-HELP.

12.1.1.3 Remission (removal) of debt in special circumstances

A student may be eligible for:

- remission (removal) of their HECS-HELP or FEE-HELP debt for a course, and/or
- a refund of their up-front payment of a student contribution for a course

if:

- circumstances outside their control prevented them from passing the course, and
- the circumstances arose or their full impact became apparent on or after the course census date, so they were unable to withdraw before the census date, and
- they hadn't already clearly failed the course at the time the circumstances arose

Information on how to apply is available via the **Application for remission (removal) of debt in special circumstances form**.

There are no provisions under the Higher Education Support Act 2003 to have a debt remitted if students have already successfully completed the unit of study.

12.1.1.4 Refund calculation for domestic students

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date.

The following table lists the refund a student is entitled to after the census date.

Cancellation of program enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

Table A

Reason for refund	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	
Program withdrawal, following leave of absence	0%	The *Cancellation of program enrolment* request and any supporting documentation must be submitted along with the refund application.
Program withdrawal	0%	
Program deferment	0%	
Permanent residence status is granted	0%	Student must submit a *Notification of change to citizenship/residence status* form to RMIT Connect before applying for a refund of any re-credit that may occur due to a difference between their program's international and domestic tuition fee.
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	

12.1.2 Commencing international students

For the purposes of these rules, a student is defined as a commencing student if they intend to enrol or are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia.

A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

12.1.2.1 Accepting an offer

By accepting a place as a full-fee paying international student at RMIT, an international student enters into an agreement with RMIT for a study program and accepts the terms and conditions of the refund rules. This agreement is for the period of the expected duration of the student's program, or duration of programs where an offer for a program or package of multiple programs is accepted.

This agreement means there is an obligation on the student's behalf to pay the published program fees throughout the student's enrolment.

12.1.2.2 Non-refundable fees

OSHC and application fees are non-refundable through RMIT, unless the student has not arrived in Australia.

Students who are in Australia must apply for an OSHC refund direct to the Health Cover Provider. If a student defers to a future semester, their pre-paid fees will be transferred to the future semester.

12.1.2.3 Granting of permanent residence

International students who are granted permanent residence may pay domestic student full-fees instead (if they are not granted a higher education CSP or a vocational education Victorian Government subsidised place), depending on the timing of the change. See section 3.11 for more information.

12.1.2.4 Student visa implications

As required by law, RMIT must report any student visa holder who does not have a current enrolment, or who withdraws from a future program, to the DIBP, and the student may have to leave Australia.

The student's visa may be cancelled by the DIBP as a result of the student failing to maintain enrolment.

12.1.2.5 Provider default

If an offer of a place is withdrawn or RMIT is unable to provide the student's program in full, a full refund will be provided within 14 days of the provider default date.

12.1.2.6 Supporting documentation

Students who submit an *Application for refund of fees* form are permitted to provide supporting documentation for 10 working days following submission of the refund form.

12.1.2.7 Refund rule tables for commencing international students

The following tables outline scenarios that apply to commencing international students applying for a refund. Suitable evidence to support the claims being made must be provided with the refund application.

An official English translation is required if documents are provided in a language other than English.

Table B 1: Full refund

Reason for refund	Evidence required	Timing to submit refund
RMIT is unable to provide program or program does not start on agreed date	Evidence not required.	Within 1 year of proposed program commencement date
Visa refusal	Copy of official visa refusal letter from the DIBP	At any time
Withdrawing from study due to Australian permanent residence	Evidence of granted Australian immigration permanent residence before census date	Within 1 year of program commencement date or the date of change of visa status, whichever is later
You have attempted your pathway program(s), failed subjects and cannot meet the condition(s) of your subsequent RMIT offer(s)	Evidence proving conditions not met	Within 1 year of subsequent program commencement date
Cannot provide release letter from current education provider	Proof of refusal of release letter	Within 1 year of proposed program commencement date
Students who apply for a refund and are transferring to an RMIT international partner or RMIT Vietnam campus	Evidence of enrolment in the partner provider institute	Within 1 year of proposed program commencement date
Illness	Officially certified copy of medical documentation establishing dates of illness. If the illness is of a close family member, proof of relationship documentation (i.e. birth certificate) is also required	Within 1 year of program commencement date
Visa issue including rejection of a new visa application / Visa not issued by enrolment date	Email correspondence from Australian immigration department showing that visa issue prevented enrolment.	Within 1 year of program commencement date
RMIT unable to issue Confirmation of Enrolment due to Streamlined Visa Processing risk assessment.	Evidence not required	Within 1 year of program commencement date
Death of close family member	Officially certified copy of death certificate plus proof of relationship documentation (i.e. birth certificate)	Within 1 year of program commencement date

Reason for refund	Evidence required	Timing to submit refund
Military service during study period	Official government document confirming dates of military service	Within 1 year of program commencement date
Exceptional circumstance (as determined by RMIT)	Evidence confirming the exceptional circumstance	Within 1 year of program commencement date
Overpayment	Proof of payment / receipt. RMIT reserves the right to request an explanation for the payment	Within 1 year of program commencement date
Scholarship granted	Proof of scholarship granted	Within 1 year of program commencement date

Table B 2: Partial refund

Reason for refund	Evidence required	Timing to submit refund and associated charges
Personal reasons such as: job offer, homesickness, change of mind, change of study plans, failure to enrol by RMIT deadlines or financial considerations	No evidence required	Refer to Table B 3 below
Voluntary discontinuation of current program where student also has offers for future packaged programs	Copy of *Cancellation of program enrolment* request. Note: a full refund will be granted for any future programs	Refer to Table B 3 below (for cancelled program)
Incorrect information or documentation supplied as part of the application process, i.e. fraudulent documents	Determined by RMIT	Refer to Table B 3 below

Table B 3: Partial refund – timing and refund amount

Timing	Refund amount
4 weeks or more before program commencement date	Deposit minus $500
Less than 4 weeks and up to program commencement date	Deposit minus $1000

Timing	Refund amount
After program commencement date up to census date	Deposit minus $5000 (note for Foundation Studies: refund will be 50% of tuition fees)
After census date	No refund

Table B 4: No refund

Reasons for refund application	Refund amount
Cancellation of program enrolment after census date or failure to enrol without deferring to a later commencement date before census date Cancellation of program enrolment after census date due to exceptional circumstances (as determined by RMIT) may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence.	No refund

12.1.2.8 International student appeals against a refund decision

Students may appeal a refund decision where they can provide further evidence of compelling or compassionate circumstances that was not available at the time of the original decision.

12.1.3 Continuing international students

For the purposes of these rules, a student is defined as a commencing student if they intend to enrol or are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia.

A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

Cancellation of a student's enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

No refund will be granted if a continuing international student studying in Australia:

- has their visa cancelled by the Australian immigration department for a breach of visa conditions, or
- is suspended or excluded from RMIT due to misconduct

12.1.3.1 Student visa implications

RMIT will report any international student visa holder who does not have a current enrolment to the DIBP, and the student may have to leave Australia.

The student's visa may be cancelled as a result of the student failing to maintain enrolment. If a new visa application is refused, students will incur an administration fee of $500.

12.1.3.2 Granting of permanent residence

International students who are granted permanent residence may pay domestic student full-fees instead (if they are not granted a higher education CSP or a vocational education Victorian Government subsidised place), depending on the timing of the change. See section 3.11 for more information.

12.1.3.3 Provider default

If an offer of a place is withdrawn or RMIT is unable to provide the student's program in full, a full refund will be provided within 14 days of the provider default date.

12.1.3.4 Refund calculation for continuing international students

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date. An administration fee will apply where an international student's visa application is refused.

The following table lists the refund a student is entitled to after the census date:

Table C

Reason for refund	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	
Program withdrawal, following leave of absence	0%	The *Cancellation of program enrolment* request and any supporting documentation must be submitted along with the refund application
Permanent residence status is granted	0%	Students must submit a *Notification of change to citizenship/residence status* form to RMIT Connect before applying for a refund.
RMIT cancels program or program ceases to be provided	100%	For international students, refunds will be paid in accordance with the provisions of the ESOS Act. Refunds will be made within 14 days of the provider default date. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.

Reason for refund	After census date	Notes
RMIT has not provided program in full	100%	For international students, where the program is not provided in full due to sanctions as per the ESOS Act Part 6, refunds will be paid in accordance with the provisions of the ESOS Act. Refunds will be made within 14 days of the provider default date. Alternatively, the student may be offered and accept enrolment in a suitable replacement program at the same cost.
Visa application is refused	100% less administration charge	Documentary evidence of the refusal from Australian immigration department must be provided along with the refund application. An administration fee will apply.
Reduction of enrolled load (credit points/ nominal student contact hours (SCH)	0%	
Overpayment	100%	Overpayments in credit in a student's account may be refunded

12.1.4 International students studying outside Australia but enrolled with RMIT Australia

Tuition fees are calculated according to a student's enrolled load. Full (100%) refund of tuition fees is available for program withdrawal before the census date or for those courses dropped before the census date.

Cancellation of a student's enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

12.1.4.1 Refund calculation for international students studying outside Australia but enrolled with RMIT Australia

The following table lists the refund a student is entitled to after the census date:

Table D

Reason for refund	After census date	Notes
Program withdrawal, failure to meet offer letter conditions	0%	

Reason for refund	After census date	Notes
Program withdrawal, following leave of absence	0%	The *Cancellation of program enrolment* request and any supporting documentation must be submitted along with the refund application
Program withdrawal	0%	
Program deferral	0%	
RMIT cancels program or program ceases to be provided	100%	
RMIT has not provided program in full	100%	
Reduction of enrolled load (credit points/ nominal student contact hours (SCH)	0%	
Overpayment	100%	Overpayments in credit in a student's account may be refunded

12.1.5 RMIT English Worldwide (REW)

REW is a business of RMIT Training Pty Ltd, a commercial arm of RMIT. REW develops and delivers English language programs tailored for academic, business and industry purposes.

Please visit **rmitenglishworldwide.com**/elicos for the complete REW refund and transfer of fees guidelines.

12.2 Refund application process

1. Domestic students, continuing international students and international students studying outside Australia but enrolled with RMIT Australia who submit their application to withdraw from a program or unit of study on or before the census date will be withdrawn or granted a deferment without penalty and will not incur a debt (including a HELP debt) for that course or VET unit of study.
2. The provisions stated above do not apply to commencing international students – for these students refer to the tables in section 12.1.2.7 above and point 4 below. Commencing international students will receive a notice of refund assessment via email explaining the refund decision.
3. The provisions stated above also do not apply to REW students – for these students refer to section 12.1.5 above.

4. Students who have paid their fees upfront and then make subsequent amendments to their enrolment that result in their account being re-credited may choose to have this credit balance refunded to them by submitting an *Application for refund of fees* form.
5. Enrolled international students must also submit, as appropriate:
   - an authorised *Application for leave of absence* form to the Compliance, Regulation and Risk team, or
   - a *Cancellation of program enrolment* request (see section 2.2)

   Applications take up to 20 working days to process, beginning from date of receipt of complete application including required supporting documents.

12.3 Payment of refunds

Applications for refunds may take 2–3 weeks to process (earlier, if specifically required by legislation). Refunds must be requested in writing under the applicant's signature, and supported by production of a valid offer letter. Where a sponsoring body or scholarship agency pays the student's fees, any refund will be paid to that sponsoring body or scholarship agency.

An authorised refund will be processed, where possible, using the same method as an original payment e.g. if the payment was made by credit card, the refund will be processed to the same credit card. Where appropriate a refund can be made via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by a third party).

13 Financial liability

The financial liability of a student's enrolment will remain unless the student varies or formally cancels their enrolment by the appropriate date.

Withdrawal from a course or program using Enrolment Online, lodgement of an approved *Enrolment variation*, *Leave of absence* or *Cancellation of program enrolment* form with RMIT or RMIT Training are the only mechanisms to withdraw from a course or program of study (see section 2.2).

Failure to lodge the appropriate request before the deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.

1. The financial liability of a student's enrolment will remain unless an *Enrolment variation*, *Application for leave of absence* or *Cancellation of program enrolment* request is submitted by the census date.
2. No changes to enrolment will be made after the census date unless there is evidence of a university error.
3. Cancellation of program enrolment by the census date does not exempt commencing international or REW students from financial penalties such as administration fees and withdrawal penalties specified in the refund rules. If a commencing international student meets the criteria for a refund for a future program but owes RMIT fees, the holding deposit will reduce the debt owed to RMIT by the refund entitlement amount.
4. There will be no financial tuition fee liability for continuing international students and domestic students who formally cancel their program enrolment by the applicable census date.

5. All students may be liable for materials fees at the discretion of their school. These fees will be advised to students before enrolment, will comply with government requirements and will have been approved by RMIT as per the *Approved schedule of fees and charges*.
6. Students will be liable for any outstanding library fees or late fees for previous late payments.
7. Students who owe RMIT outstanding fees will not be eligible for a refund.
8. Cancellation of a student's program enrolment after census date due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence and at the discretion of the Academic Registrar.

13.1 Student Services and Amenities Fee (SSAF)

The SSAF is charged on a pro-rata basis.

If a student withdraws on or before the census date, the SSAF previously applicable for their enrolment for that semester will be re-credited to their account, provided that payment of the SSAF had already been made in full.

If a student withdraws after the census date, the SSAF will not be re-credited for that semester of study.

13.2 Materials fees

Materials fee refunds are at the discretion of the relevant teaching school. Refunds for materials fees cannot be processed until the school approves the removal of charges. More information about materials fees is available at **rmit.edu.au**/programs/fees/other.

15 Appendix 2 – Domestic vocational education government subsidised & full-fee program fees

1. Nominal hours may vary depending on electives chosen by student.
2. The student tuition fees as published are subject to change given individual circumstances at enrolment. These are tuition fees only, and do not include the SSAF or any materials fees that may apply.
3. You may be entitled to a concession on your tuition and student services and amenities fees if you are in a Victorian Government subsidised place and you meet the eligibility criteria to apply for a concession. If your application for a fee concession is successful, you will be charged a concession rate equivalent to 20% of the tuition fee payable by non-concession students in a government subsidised place for your program.
4. Diploma & advanced diploma students are no longer eligible for a concession or exemption of tuition fees. Aboriginal/Torres Strait Islander students can continue accessing concession rates at all program levels (including diploma & advanced diploma).
5. RPL fees are equivalent to the standard tuition fees for the course/s for which RPL is sought.
6. Tuition fees for government subsidised places have been established in conjunction with the proposed 2018 Victorian Government program subsidy rates. If the government varies these rates in 2018, RMIT reserves the right to amend tuition fees for impacted programs accordingly.
