

Global Experience Study Plan (Excluding Cross Campus/Interlocation Studies)

Your RMIT Study Plan is a signed agreement between you and RMIT that the courses (subjects) you will undertake at a Host Institution are equivalent to those you would have studied at RMIT. An approved Study Plan ensures you will receive credit towards your RMIT program for your overseas studies.

Steps

1. Research courses (subjects) at your Host Institution and gather course guides/syllabi. You can find a link to your Host Institution course catalogue under the 'Academic Information' tab on the Host Institution Mobi page.
2. List preferred Host Institution courses on your study plan next to the RMIT course equivalents, then read the **Student Approval** section
 - ◇ Please contact the **RMIT Global Experiences** if you require additional course information from the host institution
3. Attach and submit your study plan and Host Institution course guides to an [RMIT Student Connect](#) enquiry (Select Global Experience Programs > Submit a study plan). This will be reviewed by your RMIT Academic School/College
4. When the signed and approved study plan is returned to you, please upload it to [your Mobi application](#)
5. If applying for 2 semesters, you must complete one Study Plan per semester

Need Academic advice?

If you are not sure which courses you need to complete in your RMIT program, or need advice from your Academic team, please submit an RMIT Study Connect enquiry
(Select: Ask about your course or program)

Need help from RMIT Global Experiences?

If you need assistance contacting a Host University, or understanding the Global Experience process, please submit an RMIT Student Connect enquiry **(Select: Ask about Global Experiences)**
