RMIT University

RMIT is a global university of technology, design and enterprise. Our mission is to help shape the world through research, innovation, teaching and engagement, and to create transformative experiences for our students, getting them ready for life and work. One of Australia's original educational institutions founded in 1887, RMIT University now has 82,000 students including 12,000 at postgraduate level.

The University enjoys an international reputation for excellence in professional and practical education, applied and innovative research, and engagement with the needs of industry and the cities in which we are located. With three campuses in Melbourne (Central Business District, Brunswick and Bundoora), two in Vietnam (Hanoi and Ho Chi Minh City) and a centre in Barcelona, Spain, RMIT is a truly global university. RMIT also offers programs through partners in Singapore, Hong Kong, mainland China, Indonesia, Sri Lanka, Belgium, Germany, Austria and The Netherlands, and enjoys research and industry partnerships on every continent.

RMIT prides itself on the strong industry links it has forged over its 129-year history. Collaboration with industry is integral to the University's leadership in applied research and education, and to the development of highly skilled, globally focused graduates. We are a 5-Star university under the QS Stars international evaluation system, and are 21st in the world among universities less than 50 years old (2015 QS Top 50 Under 50 index).

RMIT features among the world's top 200 institutions in 13 of the 30 subject areas in the 2015 QS subject rankings. We are among the world's top 100 universities in Art and Design; Architecture and the Built Environment; Engineering (Civil and Structural; Electrical and Electronic; and Mechanical, Aeronautical and Manufacturing); Computer Science; and Business and Management Studies. The University's research was ranked among the best in the world in the 2015 Excellence in Research for Australia evaluation. RMIT was rated "well above world standard" in 13 fields and "above world standard" in a further nine fields.
