MC163
Master of Architecture

RMIT UNIVERSITY

Selection task for international students
School of Architecture and Urban Design

This form must be completed by international students only. Australian or New Zealand citizens/Permanent residents of Australia or Permanent Humanitarian Visa holders must apply through RMIT Admissions.

rmit.edu.au/programs/apply

Section 1: Applicant information

Student / Applicant ID (if known)

Title

Family name

Given name

Date of birth

Email

Section 2: How to apply

1. Check the programs and fees website to ensure this program is offered for your preferred intake.
2. Check **the program academic and selection task requirements** (see 'International student' tab).
3. Complete this selection task and upload it with your **online application**.

Section 3: Further information

Contact: School of Architecture and Urban Design

Email: aud.he@rmit.edu.au

Each selection task will be considered as part of the selection process. The following information is used to help us evaluate whether you have the necessary qualities to undertake our program.

Please note that this selection task is retained as part of official RMIT records. Selection tasks will not be returned to applicants. If you wish to retain a record of your work, please make a copy for yourself.

Section 4: Applicant statement

Provide a short statement outlining your motivation for applying for the program (maximum 300 words).

Section 5: Curriculum vitae (CV)

Submit a CV including your personal details, academic achievements and professional experience (including any work experience you are currently undertaking). Collate it together with this selection task form before uploading it to your online application.

Section 6: Design folio

Provide a folio comprising 5-10 pieces of your own work, including final pieces, development work and thinking.

Within the program, students will undertake independent and ideas-led design experimentation in the medium of architecture. Your folio should evidence your capacity to demonstrate and articulate design ideas through an iterative and considered design process, to resolve ideas from concept formation through to design development.

You may include up to one page of projects completed in your work experience within an architectural or design practice, but this is not essential. If you choose to do this, it needs to be clearly differentiated and labelled with an indication of your role in the project.

Submission instructions

▪ Upload your folio as a single PDF (maximum size 10MB). Please name your PDF file as follows: (Your first name)_(Your surname)_Design Folio.pdf (e.g., John_Smith_Design Folio.pdf).

Or

▪ Provide a URL to your folio if hosted online (provide the username and password if applicable).

    o Link:

    o Username (if applicable)

    o Password (if applicable)

Master of Architecture

Section 7: Technology or construction folio

Provide a folio comprising 1-2 pieces of your own work, including final pieces, development work and thinking.

Within the program, students will explore how ideas-led architectural experimentation and innovation can be realised in the world. Your folio should provide examples of where you have explored the planning and construction of architectural projects and have prepared architectural documentation for regulatory approval and construction.

Any work that is completed in your work experience within an architectural or design practice must be clearly identified.

Submission instructions

▪ Upload your folio as a single PDF (maximum size 10MB). Please name your PDF file as follows: (Your first name)_(Your surname)_Tech Folio.pdf (e.g., John_Smith_Tech Folio.pdf).

Or

▪ Provide a URL to your folio if hosted online (provide the username and password if applicable).

   o   Link:

   o   Username (if applicable)

   o   Password (if applicable)

Section 8: Usage of Artificial Intelligence (AI) tools

Have you used any Artificial Intelligence (AI) tools to generate images or texts in your selection task submission?
☐ No   ☐ Yes (Please describe below where this occurs and what AI tools were used (maximum 100 words).

Section 9: Selection video questions

All applicants must record and submit a brief video addressing the questions in Parts 1 and 2 below:

Part 1 (maximum time: 1 minute)

Please tell us about your motivations and interests:

- Introduce yourself and tell us what you are doing currently (studying, working, travelling).
- Why do you want to study the Master of Architecture at RMIT University?

Part 2 (maximum time: 3 minutes)

Describe the projects in your folio.

- Explain the ideas and concepts behind the projects. Please include any references or projects which have influenced your design ideas.
- Explain how you have developed these ideas into your final submission. Please include any references or projects which have influenced your design ideas.

Video upload requirements

- Videos must be no longer than 4 minutes and **you must present yourself on camera during the interview.** For reasons of equity, we will stop watching the video after 4 minutes so please adhere to the time limit.
- We will not be scoring or judging the technical quality of the video so you can record this video using your phone or other suitable devices.
- Please upload your video to an external site (e.g., Dropbox, WeTransfer, Google Drive, WeChat, Weibo, Youku or Tudou). If you apply an expiry period on your video, please ensure that it is at least 6 months from the date of submission.
- Provide the link to your video below. Provide the username and password if applicable. Please use your application number as part of your username.

  o Video Link:

  o Username (if applicable)

  o Password (if applicable)

Section 10: Privacy notice

The information you provide in this form will be used by RMIT to assess your application for study and to administer any subsequent enrolment in accordance with RMIT's policies and procedures. Your personal information will be handled in accordance with the RMIT Privacy Statement.

The information you provide on this form and during enrolment may be made available to the Australian Government, State Agencies and other designated authorities under the ESOS Act 2000, ESOS Regulations 2001 and the National Code. Information about you can be disclosed without consent where authorised or required by law.

RMIT University's policies require that the information on this form be supplied. Please note that failure to do so, or to supply only part of it, may result in your application being unable to be considered. In addition, any offer of a place may be revoked, and enrolment cancelled if the information supplied is incomplete, false or misleading.

You can access and amend your information via the RMIT University Application System. For more information about how RMIT University collects, uses, discloses and stores your personal information, see the RMIT Privacy Statement.

Section 11: Applicant declaration

Please read and sign the following applicant certification. This application is not valid unless signed and dated.

I agree that:

- I have read and understood the RMIT Privacy Statement and accept its conditions.
- I will be bound by the statutes, regulations, standards of conduct and policies of RMIT as amended from time to time.
- I consent to receiving information electronically from the University.

I acknowledge that:

- The submission of incorrect or incomplete information may result in the withdrawal of any offer and/or cancellation of enrolment by RMIT at any stage.

I certify that:

- The information supplied in this form and any supporting documentation or materials is correct and complete.
- My response to questions and any work submitted as part of my application are my own original work.
- It is my responsibility to provide all relevant and required documentary evidence of my qualification/s.

I authorise RMIT to:

- obtain further information with respect to my submission from other organisations.
- provide information to government, educational, health and other relevant institutions, in the processing of, or in conjunction with, my application.
